- ▶ Features self-healing technology
- ▶ Professionally installed
- ▶ Matte or Gloss finish
- ▶ The only product in the range that offers matte finish and 72-inch width

Engineered to last.

10 Year*

Warranty backed by 3M.

3M warrants that applied 3M™ Paint Protection Film will be free of defects in materials and manufacture - including yellowing, bubbling or cracking - for ten (10) years from date of purchase. This warranty does not apply to damage caused by misuse, accident, misapplication or ordinary wear, nor does it apply to dents caused by physical impact of rocks or road debris. If there is a breach of this warranty, then 3M will have an installer remove the old film and apply new 3M™ Paint Protection Film. Some installers may choose to offer, on their own behalf, different or additional warranties or remedies, beyond the limited warranty and limited remedy offered by 3M. This warranty does not apply to headlight or uncleared film.

Scotchgard™ Paint Protection Film Pro Series 200 Gloss and Matte

For those end user customers whose vehicle is their pride and joy.

- Offers the top 3M protection against stains, stone chips and scratches, with hydrophobic qualities
- The only product in the range that offers matte finish and 72-inch width
- Maximum thickness (200 microns), maximum 10-year warranty

3M | Paint Protection Film Series 150 Gloss

For the most user friendly installation.

- Thanks to its reduced thickness (190 microns), easy stretchability, and excellent flexibility
- PPF 150 offers the maximum 10-year warranty from 3M.
- Good protection against stains, stone chips and scratches, with hydrophobic qualities
- Gloss only, maximum width 60-inch

3M | Paint Protection Film Series 100 Gloss

The entry level PPF from 3M.

- PPF 100 offers the maximum 7-year warranty from 3M
- Protection against stains, stone chips and scratches
- Gloss only, maximum width 60-inch, thickness 190 microns
